A Journey Through Time and Identity

The book begins with a vivid depiction of the arrival of enslaved Africans in Brazil and the horrors they endured on sugar plantations and other slave-holding institutions. Dr. Akotirene meticulously traces the ways in which Black women navigated this brutal system, forming communities, creating families, and actively resisting their enslavement.

After emancipation, Black women continued to face discrimination and exclusion, but they also seized opportunities for education, employment, and political participation. Dr. Akotirene examines the complexities of their experiences, highlighting both the challenges and triumphs they encountered in a society still grappling with the legacy of slavery.

Race, Gender, and Intersectionality

Throughout the book, Dr. Akotirene deftly analyzes the intersectionality of race and gender in the lives of Black women in Brazil. She demonstrates how these intersecting identities shaped their experiences in both slavery and post-emancipation society. This intersectional approach provides a nuanced understanding of the unique challenges and opportunities that Black women faced.

Dr. Akotirene also explores the ways in which Black women asserted their agency and fought for their rights. She showcases their involvement in social movements, their contributions to Brazilian culture, and their tireless efforts to create a more just and equitable society.
