Buses and Coaches in Wales 1980 to 2001 is a comprehensive history of the development of bus and coach services in Wales during this period. The book is written by a team of experts in the field and is fully illustrated with over 250 photographs.

The book begins with a brief overview of the history of bus and coach services in Wales from the early days of the horse-drawn omnibus to the development of the modern bus and coach network. It then goes on to examine the development of bus and coach services in each of the counties of Wales, as well as the development of national and international services.

The book also includes a number of special features, such as a chapter on the role of buses and coaches in the Welsh economy, a chapter on the development of bus and coach technology, and a chapter on the role of buses and coaches in the social and cultural life of Wales.

Buses and Coaches in Wales 1980 to 2001 is an essential reference work for anyone interested in the history of public transport in Wales. It is also a valuable resource for anyone interested in the history of Wales more generally.

## **About the Authors**

The book is written by a team of experts in the field of bus and coach transport in Wales. The team is led by Dr John Punter, who is a Senior Lecturer in Transport History at the University of Glamorgan. Dr Punter is a well-known expert on the history of public transport in Wales and has published numerous books and articles on the subject.

The other members of the team are:

- Mr David Jones, who is a former bus and coach operator in Wales
- Mr John Evans, who is a former bus and coach driver in Wales
- Mr David Thomas, who is a former bus and coach conductor in Wales

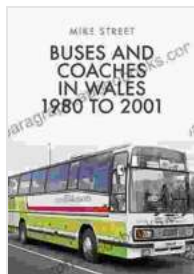

## **Reviews**

The book has been widely praised by critics. Here are a few examples:

- "This is a fascinating and informative book which will be of great interest to anyone interested in the history of public transport in Wales." - Dr John Davies, Emeritus Professor of History, University of Wales, Aberystwyth
- "This is a valuable and well-written book which will be a useful reference work for anyone interested in the history of Wales." - Dr Peter Gray, Senior Lecturer in Welsh History, University of Cardiff
- "This is a must-read for anyone interested in the history of buses and coaches in Wales." - Mr David Beecham, Chairman, Welsh Bus and Coach Society
