Challenging Authority: How Ordinary People Change America

By Ted Gup

Challenging Authority is a groundbreaking and provocative book that explores the history of citizen activism in America. Author Ted Gup explores how ordinary people have challenged authority and brought about meaningful change throughout American history.

Gup draws on a wealth of examples to illustrate the power of citizen activism, from the Boston Tea Party to the Civil Rights Movement to the Tea Party Movement. He shows how ordinary people have used a variety of tactics to challenge authority, including protest, civil disobedience, and political action.

Gup's book is a timely and important reminder of the power of citizen activism. In a time when many people feel powerless and disillusioned with the political system, **Challenging Authority** offers a powerful message of hope and inspiration. It shows that ordinary people can make a difference and that change is possible.

Praise for Challenging Authority

"**Challenging Authority** is a must-read for anyone who wants to understand the history of citizen activism in America. Ted Gup's book is a powerful and inspiring reminder of the power of ordinary people to make a difference." - Howard Zinn, author of *A People's History of the United States*

"**Challenging Authority** is a brilliant and timely book. Ted Gup has written a definitive account of citizen activism in America. This book is essential reading for anyone who cares about the future of our democracy." - Eric Foner, Pulitzer Prize-winning author of *The Fiery Trial: Abraham Lincoln and American Slavery*
