Company History

It Works! was founded in 2001 by Mark Pentecost. Pentecost had previously worked in the network marketing industry, and he saw an opportunity to create a company that offered high-quality products and a supportive community for its distributors.

It Works! quickly became a success. The company's products were well-received by consumers, and its distributors were able to build successful businesses. Today, It Works! is one of the leading health and wellness companies in the world.

Products

It Works! offers a wide range of products, including:

- Supplements
- Skincare
- Body care
- Home care

It Works! products are made with high-quality ingredients, and they are backed by a satisfaction guarantee. The company also offers a variety of programs and tools to help its distributors succeed.

Marketing and Sales

It Works! products are sold through a network of independent distributors. Distributors earn commissions on sales of products and on the sales of their team members.

It Works! uses a variety of marketing and sales strategies to reach new customers and build its distributor network. These strategies include:

- Social media
- Online advertising

- Email marketing
- Events

It Works! also offers a generous compensation plan for its distributors. This plan provides distributors with the opportunity to earn significant income.

Our Opinion

We believe that It Works! is a reputable company that offers high-quality products. The company's products are backed by a satisfaction guarantee, and its distributors are provided with a variety of programs and tools to help them succeed.

We also believe that It Works! is a good opportunity for people who are looking to start their own business. The company's compensation plan is generous, and its products are in high demand.
