Through a kaleidoscope of emotions, Smalec paints a portrait of the human heart, its vulnerabilities and its resilience. His words are like whispers from a lover, soft and tender, yet carrying the weight of unspoken truths. Each poem is a masterpiece, a microcosm of the human experience, capturing

the essence of joy, sorrow, and the bittersweet longing that lingers in the aftermath of love.

Your eyes reminded me
of stories untold
and lips un-kissed
but we were not looking
for the same kind of love
so I closed my eyes
- E. A.

A Symphony of Words

Smalec's writing is a symphony of words, a harmonious blend of rhythm and rhyme. His poems flow with an effortless grace, each line a brushstroke that adds depth and texture to the canvas of human emotion.

Imagery abounds, as vivid as a painter's palette, painting pictures that linger in the reader's mind long after the last page is turned.

In "The Weight of Absence," Smalec captures the profound emptiness left by the loss of a loved one:

***“Your absence, a heavy cloak That weighs upon my weary soul
A void that echoes with your voice, A silence that screams of
your loss.”***

In "The Dance of Love," he paints a passionate tableau of desire and longing:

***“Our bodies entwined, a symphony of touch, A dance of love, a
flame that burns so bright Your eyes, like stars, ignite a fire
within, A longing that consumes me with delight.”***
