Primitives Erich Krauss is a stunning new book that showcases over 200 of the most exquisite pieces from Krauss's collection. The book features a wide range of objects, from sculptures and masks to headdresses and musical instruments. The photographs are simply breathtaking, and they capture the beauty and power of these objects.

The book also includes an essay by art historian Jean-Loup Pivin, which provides an overview of Krauss's life and collecting practices. Pivin's essay is a valuable resource for anyone who is interested in learning more about African art and culture.

Primitives Erich Krauss is a must-have for anyone who is interested in African art, or for anyone who simply appreciates beautiful objects.

The book is a stunning tribute to the beauty and diversity of African art.

Here are some of the highlights of the book:

- Over 200 exquisite examples of sculpture, masks, and other objects from a wide range of African cultures
- Breathtaking photographs that capture the beauty and power of these objects
- An essay by art historian Jean-Loup Pivin that provides an overview of Krauss's life and collecting practices
