Now, in 'The Best of The Weekly Standard 2001-2005,' readers have the opportunity to revisit the most impactful and thought-provoking essays from the magazine's golden age, a period that witnessed some of the most consequential events in modern history. From the 9/11 attacks to the Iraq War to the rise of global terrorism, The Standard's writers provided a clear and unflinching lens to make sense of the tumultuous times.

William Kristol: The Visionary at the Helm

At the helm of The Weekly Standard was William Kristol, a renowned political strategist and public intellectual. Kristol's vision for the magazine was to create a forum for honest and rigorous debate, free from the constraints of partisan dogma. Under his leadership, The Standard became

a must-read for anyone seeking to understand the complexities of American politics and foreign affairs.

Kristol's own writings, featured prominently in 'The Best of,' are a testament to his incisive mind and unwavering commitment to conservative principles. From his early warnings about the threat of Islamic extremism to his passionate defense of the Iraq War, Kristol's essays challenged conventional wisdom and sparked countless debates.

A Stellar Cast of Contributors

Kristol was not alone in shaping the legacy of The Weekly Standard. The magazine attracted a roster of brilliant writers and thinkers, each bringing their unique perspectives and insights to the pages of the magazine.

Among the contributors featured in 'The Best of' are:

- Robert Kagan: A historian and foreign policy expert known for his analysis of American power and the challenges of global security.
- Francis Fukuyama: A political scientist and author whose influential essay "The End of History" sparked a global debate about the future of political ideologies.
- Charles Krauthammer: A Pulitzer Prize-winning columnist and commentator known for his incisive wit and clear-eyed analysis of current events.
- Andrew Sullivan: A former editor of The New Republic and a vocal critic of the Bush administration's foreign policy.
- David Frum: A speechwriter for President George W. Bush and a leading advocate for conservative reform.

Together, these writers formed a formidable intellectual force, challenging conventional wisdom, sparking debates, and shaping the course of American politics.

Insights into a Turbulent Era

The essays collected in 'The Best of The Weekly Standard 2001-2005' provide a unique window into one of the most consequential periods in recent history. From the immediate aftermath of 9/11 to the ongoing challenges of the War on Terror, The Standard's writers grappled with the most pressing issues of the day, offering thoughtful analysis and incisive commentary.

Readers will find essays on:

- The nature and threat of Islamic extremism
- The strategic implications of the Iraq War
- The challenges facing the American-led global Free Download
- The rise of populism and nationalism
- The future of conservatism in a changing world

Through the lens of these essays, readers can gain a deeper understanding of the complexities of the post-9/11 world and the intellectual debates that shaped it.

A Legacy of Influence

The Weekly Standard ceased publication in 2018, but its legacy continues to resonate in the realm of political discourse. The magazine's fearless

questioning of conventional wisdom, its commitment to intellectual honesty, and its unwavering belief in the power of ideas have left an enduring mark on American conservatism.

'The Best of The Weekly Standard 2001-2005' is a testament to the magazine's influence and a valuable resource for anyone seeking to understand the complex political landscape of the 21st century. It is a must-read for students of history, political science, and journalism, as well as anyone interested in the shaping of American politics over the past two decades.
