Marriage to Henry VIII

Jane Seymour first met Henry VIII in 1532. She was a lady-in-waiting to Henry's second wife, Anne Boleyn. Henry was immediately smitten with Jane, and he began to pursue her. Jane was initially reluctant to marry Henry, but she eventually agreed. They were married in May 1536, just a few months after Anne Boleyn had been executed.

Queen Consort

As Queen Consort, Jane Seymour played a significant role in Henry VIII's court. She was a popular and well-respected figure, and she was known for her kindness and compassion. Jane was also a devout Catholic, and she played a key role in Henry's break with the Roman Catholic Church.

Birth of Edward VI

In October 1537, Jane Seymour gave birth to a son, Edward VI. The birth of a male heir was a great joy to Henry VIII, and it secured the Tudor dynasty. Edward was the only surviving son of Henry VIII, and he succeeded his father to the throne in 1547.

Death

Jane Seymour died on October 24, 1537, just 12 days after giving birth to Edward VI. The cause of her death is uncertain, but it is believed that she died from puerperal fever. Jane Seymour was buried in St George's Chapel, Windsor Castle.

Legacy

Jane Seymour's legacy is complex and multifaceted. She was a woman of great compassion and intelligence, and she played a significant role in Tudor history. However, her death in childbirth was a tragedy, and it cast a shadow over her reign. Jane Seymour is remembered as one of the most enigmatic and fascinating figures in English history.
