Eagles Before the Band: The Untold Story of Rik Forgo

The Eagles, one of the most iconic and successful bands in music history, have a history that is as rich and captivating as their music. And now, founding member Rik Forgo has written a memoir that tells the untold story of the band's early years.

In *Eagles Before the Band*, Forgo traces the band's roots back to the mid-1960s, when he and his friend Bernie Leadon formed a folk duo called the Flying Burrito Brothers. The duo quickly gained a following in the Los Angeles area, and soon they were joined by Randy Meisner and Glenn Frey. The four musicians began playing together as the Eagles in 1971, and they went on to release a string of hit albums and singles that would make them one of the biggest bands in the world.

Forgo's memoir is a fascinating look at the band's early days, and it provides a unique perspective on the creative process that led to the creation of some of the most iconic music of all time. Forgo writes with candor and humor about the band's struggles and triumphs, and he offers a rare glimpse into the personal lives of the members of Eagles.

Eagles Before the Band is a must-read for any fan of the Eagles, and it's also a valuable resource for anyone interested in the history of American rock music. Forgo's memoir is a captivating and inspiring story about the power of music to bring people together and create something truly special.

Behind-the-Scenes Secrets and Revelations

In *Eagles Before the Band*, Rik Forgo shares a treasure trove of behind-the-scenes secrets and revelations about the Eagles' early years. He discusses the band's creative process, their relationships with each other, and the challenges they faced on their way to becoming one of the most successful bands in the world.

Forgo writes about the band's early struggles to get their music heard, and he reveals the pivotal role that their manager, Irving Azoff, played in their success. He also discusses the band's decision to fire Bernie Leadon and replace him with Joe Walsh, and he provides a candid account of the tensions that led to the band's eventual breakup in 1980.

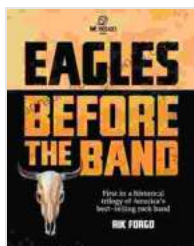

Eagles Before the Band is a fascinating and revealing look at the Eagles' early years, and it's a must-read for any fan of the band or anyone interested in the history of rock music.

A Must-Read for Eagles Fans

If you're a fan of the Eagles, then you need to read *Eagles Before the Band*. Rik Forgo's memoir is a captivating and inspiring story about the power of music to bring people together and create something truly special.

Forgo's writing is honest and engaging, and he provides a unique perspective on the band's early years. He shares a wealth of behind-the-scenes stories and revelations, and he offers a candid account of the band's struggles and triumphs.

Eagles Before the Band is a must-read for any Eagles fan, and it's also a valuable resource for anyone interested in the history of American rock music.
